## COLLEGE NEWS

### SNPhA Chapter Arrives at the College of Pharmacy

The College of Pharmacy is now recognized with a chapter of the Student National Pharmaceutical Association (SNPhA). As a service organization of pharmacy students, the primary role of the association is to coordinate and participate in programs to improve the health, social, and educational environment of the community. As such, the major concerns of the SNPhA are health care issues and the need for greater minority representation in pharmacy and other health professions.

### Health Professions Division's Research Day

Nova Southeastern University's inaugural Health Professions Division's Research Day is scheduled for April 25, 2008. This annual event will feature research of faculty graduate and health professional students as well as from fellows and clinical residents. Activities will include poster displays with awards for outstanding research and current topics addressed by students and faculty via platform presentations. The College of Pharmacy looks forward to participating in this event as it affords the opportunity to interact and share research with colleagues among the many disciplines represented within the Health Professions Divisions.

### Faculty Recognition

Karen Daniel, Pharm.D., BCPS, CDE, was recently elected as President-Elect of the Florida Pharmacy Association (FPA). Dr. Daniel is an associate professor within the department of pharmacy practice and serves as a clinical pharmacist at Bay Pines Veterans Affairs Healthcare System in St. Petersburg, Florida. Her installation ceremony will be held during the FPA Annual Meeting that is scheduled from July 9-13, 2008 at the Hyatt Regency Grand Cypress Hotel in Orlando, Florida.

### AHA's Broward County Heart Walk

The College of Pharmacy is assembling a team for the American Heart Association's Broward County Heart Walk that is scheduled for Saturday, March 8, 2008 from 8:00 A.M. to noon. The participants will gather at the Alvin Sherman Library on NSU's Ft. Lauderdale campus for the 5K event. If you would like to participate on our team or receive additional information, please contact Jennifer Fass, Pharm.D., Drug Information Resident, at 954-262-3169 or fass@nsu.nova.edu.
