

PHI LAMBDA SIGMA

National Pharmacy Leadership Society

Welcome First Year Pharmacy Students!

Congratulations! On behalf of Phi Lambda Sigma, the National Pharmacy Leadership Society, I would like to welcome you to Nova Southeastern University College of Pharmacy. Your acceptance here is your first step toward fulfilling your professional goals and building personal friendships. Phi Lambda Sigma is the National Pharmacy Leadership Society that promotes the development of leadership qualities in pharmacy, especially among pharmacy students. The Society encourages participation in all activities centered on our pharmacy profession. Members of our leadership society are selected through peer recognition. We believe that there is no greater honor to be bestowed upon a person than being recognized as a leader by peers. Being elected as a member of the Society is considered a high point of one's career! Through recognition of dedication and service by pharmacy students, Phi Lambda Sigma offers additional incentive towards the development of leadership for the profession of pharmacy.

Phi Lambda Sigma membership is divided into four categories: students, faculty, alumni, and honorary. Students who are eligible for membership shall be of high moral and ethical character, shall be at least a P-2 in College of Pharmacy, and shall maintain an academic performance minimum of 78 percentile on a 100 percentile scale. Members are selected on the basis of their demonstration of dedication, service, and leadership towards the advancement of pharmacy.

Again, congratulations on your admission into pharmacy school and we wish you the best of luck in your academic achievements.

Sincerely,

Jonathan D. Hoffman

Phi Lambda Sigma President, 2006-2007
