

Dear Class of 2011,

Congratulations! On behalf of Phi Delta Chi, I would like to welcome you to Nova Southeastern University's College of Pharmacy and introduce ourselves to you.

Phi Delta Chi is a professional pharmacy fraternity whose objective is "to advance the science of Pharmacy and its allied interests, and to foster and promote a fraternal spirit among its members." We believe in supporting each other on an academic/professional as well as a personal level. In light of the fact that the pharmacy program is both lengthy and challenging, we recognize that we need each other to make it through successfully.

We invite you to come out to meet our family during our Rush events, where we will have a lot of fun activities while getting to know each other. If you have any questions please feel free to contact me at the following email address.

Once again, congratulations and we wish you the best that life has to offer.
Sincerely,

Alexandria Coniglio #341
