

Dear Graduates, Family, and Friends,

The Yearbook staff would like to congratulate you on the achievements made by the graduating class of 2009. It must have been a challenging four years and the time has finally come to end the journey of being a student and transition to being a Doctor of Pharmacy. It is a time of celebration, and we would like to offer you the opportunity to express your joy in the pharmacy yearbook.

The Yearbook staff is offering senior pages. Here, students and/or their family can display pictures and share a few words about the trials and tribulations that the seniors experienced through the years.

You can choose to buy up to 4 quarters of a page at \$25.00 each. You can design your own space and save it as a .jpg or .pdf. In your section you may wish to include family pictures, congratulatory words, or anything to make it special for the graduate to look back on for years to come. The page will be **black and white**, so please keep that in mind when designing. You can email the design to me at redkina@nova.edu. The last day to buy the ads will be April 7th. There is limited space so please don't delay and let me know if you are interested in purchasing space.

You can make out your check to NSU College of Pharmacy (for: senior page) or fill out the credit card form (the link to the form can be found in the main announcement) and send or bring the payment to:

**Nova Southeastern University
Health Professions Division
3200 South University Drive
Ft. Lauderdale, FL 33328
Attention: Claire Gallicano, Room 1312**

Once your payment is received I will email you a confirmation and ask for the design to be sent back to me.

We thank you for taking the time and know your participation will make this yearbook one of a kind and memorable.

Sincerely,

Olga Redkina
